

Dear Parents,

This week we will be doing a unit on *Collections*. We are SO excited, but we could use some help from home. Please take a minute to review the themes for Wednesday/Thursday and send the necessary items to school with your child if at all possible so that they will get the most out of this unit.

Wednesday: We will be sharing our own collection - children may bring a simple collection from home to share with their classmates.

Thursday: Create an edible class collection - Please send the zip-lock baggie back to school with your child - filled with some type of cereal your child likes. Please do not send any cereal with nuts, as we are a nut-free school.

Thanks!

Miss Sam 😊
